organised by  actionchallenge  
challenge events worldwide

A Poole Harbour start, then along the spectacular Jurassic Coast - a World Heritage Site since 2001. Through Lulworth Cove, past Durdle Door, it's up and down all the way to the Weymouth halfway point. Then it's past Portland Bill, past nature reserves and the onto the western end of the unique Chesil Beach to West Bay's famous cliffs (of TV's Broadchurch fame) - before a welcome finish line celebration in the vibrant town of Bridport. You'll get full support and great hospitality all the way - leaving you to focus on this epic Challenge!

As an individual or as a team it's a great way to do get fit, set a new goal, and to fundraise for a charity that's special for you if you want to. We'll be with you every step of the way - from kit advice, optional training walks, to moral support and great hospitality on the day.

Push yourself further - you'll be amazed at what you can achieve!

“If you're looking for a nice steady stroll along a beautiful part of the Great British coastline then the Jurassic Coast Challenge is definitely for you, assuming of course you've got nerves of steel and balls to match!”

“Such an amazing event. 1st Half conquered. It was brutal and the hills kept coming. Everyone was kind and chatty and checked on each other. We had a fab time. Scenery was stunning. Will be back for second half next year.”
